PETITION FOR CORRECTION OF INVENTORSHIP

November 15, 2004

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Applicant herewith Petitions for an Amendment of Inventorship of the
subject application.

The inventorship of the subject application is currently incorrect, because
of a clerical error taking place prior to the filing of the application, wherein the
inventorship of this case was confused with another.

The correct inventorship for the subject application is Ulrich Bohne, Eugen
Hill, Klaus Baumgartner and Daniel Dockner.

MAIL STOP DAC

A Declaration as executed by these inventors is attached hereto, as well as a Declaration for a pending application.

Amendment of inventorship is respectfully requested.

Authorization is given to debit the account of the undersigned for any required fee: #19-4675.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Michael J. Striker', with a long horizontal flourish extending to the right.
